QUICKPRIME	Surface Pretreatment & Repair	Two component, solvent free primer for concrete and steel	Epoxy	QuickPrime 2k SF
		One component, solvent free primer for concrete and steel	Polyurethane	QuickPrime 1k PU SF
		One component, solvent borne primer for steel, concrete and as an i/c primer		QuickPrime 1k PU
QUICKSPRAY HIGH PRESSURE	High build elastomeric linings	Pure polyurea		QuickSpray Industrial Std
		Pure polyurea with potable water certification		QuickSpray Industrial W
		Pure high performance polyurea		QuickSpray Supreme HP
		Pure polyurea with low surface energy		QuickSpray Supreme LSE
		Pure polyurea with high elongation		QuickSpray Supreme HE
		Pure aliphatic polyurea		QuickSpray Supreme AL
		Pure polyurea with potable water certification		QuickSpray Supreme W
QUICKSEAL HIGH AND LOW PRESSURE	High build elastomeric linings	Pure polyurea, flexible waterproofing membrane		QuickSeal PP 350
		Highly reflective elastomeric coating		QuickSeal Reflect Silver
		High pressure, reflective encapsulating membrane		Asbestoshield
		Flexible waterproofing membrane		QuickSeal MP 500
		Flexible waterproofing membrane with reflective elastomeric coating reducing heat transfer		QuickSeal MP 500 Reflect Silver
QUICKFLOOR	Flooring - thin built coatings	Super fast, aliphatic roll-down coating		QuickFloor 500
		Solvent free, low odor, high performance, rapid curing flooring product		QuickFloor 400
QUICKFILL	Joint Sealants	Non-slump polyurea cartridge system		QuickFill NS Std
		Non-slump polyurea cartridge system with retarded geltime		QuickFill NS Slow
		Non-slump polyurea cartridge system with soft properties		QuickFill NS Soft
		Self-levelling polyurea cartridge system		QuickFill SL Std
		Self-levelling polyurea cartridge system with soft properties		QuickFill SL Soft
		Rapid cure polyurea polymer for concrete and mortar repairs		QuickFill Xpress
